

## **SUBMISSION OF B-BBEE CERTIFICATES AND REPORTS TO SECTOR COUNCILS**

Date: 21 September 2023

## SUBMISSION OF B-BBEE CERTIFICATES AND REPORTS TO SECTOR COUNCIL

It has been found that the Sector Councils are unable to report on their BEE status, because Sector Councils struggle to obtain B-BBEE certificates and reports from measured entities. During meetings held, members decided that SANAS should check whether the B-BBEE Certificates and Reports were submitted to the Sector Council. Therefore, the verification agencies must check and ensure that the rated measured entities have submitted the previous and current B-BBEE Certificates and Reports to their specific sector.

This submission process will be assessed from the **beginning of 2023/24**, i.e., 1 April 2023.

Please note the below clauses that requires measured entities or/and verification agencies to submit the B-BBEE Certificates and Reports to the Sector Councils:
